## Macon County Reports Additional Deaths Related to COVID-19

Macon County Public Health received notification that four Macon County residents, over 65 who were diagnosed with COVID-19, have passed away. To protect the privacy of the families, no additional information will be released. This brings Macon County to one hundred and eight (108) deaths related to COVID-19.

“Please keep your thoughts and prayers with these families” said Health Director, Kathy McGaha. McGaha continued, “We have seen a significant decline in COVID-19 cases; however, residents can continue to protect themselves by receiving the COVID-19 vaccine and booster if eligible.”

If you believe that you may have COVID-19, please call the Health Department at 828-349-2081 to schedule an appointment for a test. To register and schedule an appointment to receive a COVID-19 vaccine, please call 828-349-2081.
