APPLICANT'S CERTIFICATIONS

The applicant represents and certifies that the following are true and accurate:

- The applicant has not constructed, maintained, operated or modified any wireless telecommunication facility within Macon County without the approval of Macon County, or, if it has constructed, maintained, operated or modified any wireless telecommunication facility within Macon County without the approval of Macon County, that it has ceased operating and has removed all above-ground portions of such facilities (not including any part of the foundation)_____(initial).
- The proposed wireless telecommunication facility complies with, all applicable FCC rules and regulations with respect to environmental effects of electromagnetic emissions_____(initial).
- Any telecommunication tower to be constructed as part of the proposed wireless telecommunication facility is not required to be lighter or painted by rules and regulations of the Federal Aviation Administration_____(initial).
- All improvements constructed as part of the wireless telecommunication facility shall comply with the Uniform Building Code, National Electrical Code, Uniform Plumbing Code, Uniform Mechanical Code, Uniform Fire Code, and structural standards of the Electronic Industries Association/Telecommunications Industry Association, where applicable_____(initial).

- If the applicant has previously supplied the Macon County Ordinance Administrator with a copy of its FCC license (or if the applicant is not an FCC license, with copies of FCC licenses for each wireless provider occupying the facility), that such FCC license remains valid and in full force and effect _____ (initial).

☐ **Attachments**

This application shall not be deemed complete unless accompanied by the following:

- A letter indicating the state of condition of wireless telecommunication facilities, this letter must include state of maintenance of the site to include: signage, fences, stabilization cables, grass/weeds mowed, road to site drivable and debris free site.
- \$150.00 annual permit renewal fee.

The applicant certifies that all statements, certifications and representations supplied in this annual renewal application are true and correct and that the person signing this application is duly authorized to execute this application and otherwise to act on the applicant's behalf with respect thereto.
