April Ladies Night Out Program

Gift of Life

Join us at Ladies Night Out on April 23, 2019. Sarah Elizabeth Amoth with Lifeshare of the Carolinas will be guest speaking on “the gift of life”- organ donation. Attendees are invited to register to be an organ and tissue donor before the program. The program will begin at 5:30 p.m. in the cafeteria at Angel Medical Center. All women are invited to attend this meeting and are asked to encourage all the women in their life, who are over the age of 13 years, to attend with them.

This month we have a special feature and welcome attendees to wear their Kentucky Derby Hats in celebration of the Kentucky Derby in May.

We will be taking donations for REACH. Donation items include household cleaning supplies (Clorox wipes, broom, mop, laundry detergent pods), hygiene products (toilet paper, bath and hand towels), cookware, and blankets. You can find an online wishlist with more needs at <http://www.myregistry.com/giftlist/reachvandrakeshelter>.

Ladies Night Out is a partnership between Macon County Public Health and Angel Medical Center to provide free monthly programs on a variety of health topics for women with an emphasis on the importance of regular health screenings.
