

Macon County

May 21, 2015

Macon County Board of Commissioners

Chairman: Kevin Corbin

Vice Chair: Jim Tate

Commissioner: Ronnie Beale

Commissioner: Paul Higdon

Commissioner: Gary Shields

Gentlemen,

In accordance with the North Carolina Local Government Budget and Fiscal Control Act, I am honored to present to you the proposed budget for Fiscal Year 2015/2016. The budget as proposed is \$46,646,357 with revenues and expenditures being balanced. The proposed budget reflects a "revenue-neutral" tax rate as defined by G.S. 159-11 (e), following completion of the 2015 general reappraisal. A "Statement of the Revenue Neutral Tax Rate" for Macon County, as well as the eleven individual fire-tax districts, has been included in this budget message.

Our financial position will remain strong in FY 15-16'. At an estimated 35%, our fund balance in the general fund continues to provide the county with a high degree of financial security in terms of being prepared for unexpected emergencies and shortfalls in revenue. Our debt obligations will continue to decrease. Between June 30, 2011 and June 30, 2014, Macon County's general fund debt decreased by \$18,118,327. In FY 15-16', following approval of QZAB renovations at the Highlands School and Union Academy, Macon County's principal and interest payments will decrease by approximately \$465,765. The solid financial position of Macon County is a direct contributor to the county's A+ bond rating.

FY 15-16' projected expenditures have increased by \$925,235 over the FY 14-15' original budget. At this level of expenditures, we will repair our health insurance fund, make much needed capital improvements to the infrastructure of the organization, take on additional responsibilities brought about by the completion of capital projects such as the Parker Meadows Complex, and continue to provide Macon County citizens with efficient and effective public service. A projected increase in sales tax receipts, combined with an increase in tax collections from the prior fiscal year, will enable us to accommodate the aforementioned increase in expenditures while keeping the ad-valorem tax rate at the "revenue neutral" level.

FY 14-15' Budget Accomplishments

Completed Revaluation- 2015 marked the completion of Macon County's general reappraisal of real property. The general reappraisal, which included approximately 44,000 parcels of property, was conducted in-house by the Macon County Tax Office. Conducting the reappraisal in-house, saved the County approximately \$1,000,000. This was the first reappraisal conducted since 2007.

Health Insurance revisions – Revisions to Macon County's Health Insurance Plan as recommended by the Health Insurance Committee, will allow county employees to retain a high quality health benefit, and partially subsidized dependent coverage. Aside from retaining a quality benefit, an approximate \$530,000 annual increase in county contributions should lead to the Health Insurance Fund again becoming sustainable. Since 2009, as county contributions were reduced, the net position in the Health Insurance Fund declined by approximately 70%, making FY 14-15' the last year the county could afford to remain on the current plan.

Health Insurance Increase by Function

| General Government | \$39,448 |
|----------------------------------|------------------|
| Public Safety | \$63,594 |
| Transportation | \$4,116 |
| Economic & Phys. Dev. | \$1,488 |
| Human Services | \$47,556 |
| Recreational/Cultural | \$5,016 |
| Education | \$- |
| Transfer to Debt Service | \$- |
| Non Dept. | \$365,244 |
| Total | \$526,462 |

Parker Meadows Project- The Parker Meadows Recreation Complex will be completed in FY 14-15. This \$3.3M project was funded using a combination of financing (\$1.8M @ 2.29% for 10 yrs.), fund balance appropriation (\$1M) and a \$500,000 grant from the North Carolina Parks and Recreation Trust Fund. The Parker Meadows Complex, which will include 8 lighted adult and youth ball fields, walking trails, picnic areas, and playgrounds, will not only enhance recreation for our citizens, but create economic development opportunities for Macon County in the years to come.

Courthouse Renovations for District Attorney Office- Macon County Building and Grounds performed renovations to the fourth floor of the Macon County Courthouse, creating additional office space for the District Attorney's Office. The renovations, which added two new office spaces and a conference room, will allow newly elected District Attorney Mrs. Ashley Welch to locate her primary office in Macon County.

Relocation of Division of Workforce Solutions- Following a reduction in the State Budget, the Division of Workforce Solutions Office had to vacate their Harrison Avenue location. In recognizing the valuable resources this office provides to Macon County residents, the Board of Commissioners voted to provide approximately 1800SF of office space in the former "SCC Annex" building for DWS relocation.

SRO's in all Schools- The Macon County Board of Commissioners voted in January of 2015 to place an SRO in the Cartoogechaye Elementary School. With the addition of this officer, every school in Macon County with the exception of Union Academy (shared officer with South Macon) and Macon County Early College (shared with FHS) has a full-time SRO in place.

Increase to Schools Capital Outlay- An additional \$100,965 was placed in the School System's Capital line item to assist with renovation needs.

SCC Memorandum of Understanding- On April 14, 2015, Macon County entered into a Memorandum of Understanding with Southwestern Community College to set aside county owned property adjacent to the SCC Siler Road Campus for future expansion.

Purchase of properties for landfill expansion -Macon County Solid waste purchased 22 acres at \$1,536,223.71 for the expansion of our landfill facility. This expansion will increase the expected life of the landfill by approximately 40 years as it will increase capacity by 300%.

National Small Health Department of the Year- Macon County Health Department was recognized by the National Association of City and County Health Officials as the Small Health Department of the year. This recognition comes following the department's successful implementation of tobacco usage policy.

Statement of Revenue Neutral Tax Rate

The last general reappraisal of real property for Macon County was performed in 2007. In the following years, the country experienced the worst economic recession since the Great Depression. Macon County, like many counties in North Carolina, saw a dramatic decline in the value of real property during this time. In light of the aforementioned, a unanimous decision was made by the Macon County Board of Commissioners in 2009 to delay the reappraisal scheduled for 2011, until January 1, 2013. In 2011, real property values remained depressed, and the recovery of our local economy was sluggish at best. Thus, the Macon County Board of Commissioners unanimously voted on October 11, 2011 to postpone the reappraisal for a final time until January 1, 2015.

In December of 2014 the Macon County Board of Commissioners approved a "Resolution Regarding the Time for General Reappraisal of Real Property" at the recommendation of the Tax Administrator. This resolution changed the reappraisal cycle in Macon County from eight years back to four years.

State law requires that units of local government, including public authorities, publish a revenue-neutral tax rate in the budget immediately following the completion of the general reappraisal of real property. The purpose of the revenue neutral tax rate is to provide citizens with comparative information. The 2015 reappraisal was performed in-house by the Macon County Tax Office. According to the Tax Administrator, performing the reappraisal in house as opposed to contracting it out saved the county \$1,083,150.

The FY 15-16' operating budget follows the general reappraisal of real property for Macon County. The revenue-neutral tax rate, as defined by G.S. 159-11 (e), is the rate that is estimated to produce revenue for the next fiscal year equal to the revenue for the current fiscal year if no reappraisal had occurred. The rate is then adjusted by a growth factor equal to the average annual percentage increase in the tax base due to improvements since the last general reappraisal.

The 2015 reappraisal produced a tax base of \$7,668,426,710. The new tax base is representative of a 19.2% decline in assessed value from the current fiscal year (\$9,486,120,000). The tax levy for the current fiscal year is projected to be \$26,466,274.8 (at 100% collection rate). To calculate tax levy for the current fiscal year, the estimated tax base at fiscal year-end of \$9,486,120,000 is multiplied by the current tax rate of \$.00279. Using the new tax base of \$7,668,426,710 in FY 15-16', a tax rate of \$.00345 is needed to produce a tax levy equal to the \$26,466,274.8 produced in FY 14-15'.

As part of calculating a revenue neutral tax rate, G.S. 159-11 (e) provides that a growth factor be used in calculating the revenue-neutral rate based upon the average increase in the tax base "due to improvements since the last general reappraisal." Since 2007, Macon County's tax base has grown 1.01% on average. **In applying a growth factor of 1.01% to the tax rate of \$.00345, a revenue neutral tax rate of .00349 is produced for FY 15-16'.** Figure 1 illustrates revenue neutral and growth factor calculations.

*** FY 14-15' & FY 15-16' Assessed values are estimates provided by the Macon County Tax Administrator*

*** Tax levy calculations assume a 100% collection rate***

Statement of Fire District Revenue Neutral Tax Rates

A local government must calculate a revenue-neutral rate for each separate levy included in its budget ordinance. Macon County has eleven fire districts, each of which levies a separate tax. The purpose for publishing revenue neutral rates for these districts is to provide transparency for all taxes paid by a particular resident. Revenue-neutral rates for each individual fire district were calculated in the same manner as the ad-valorem property tax rate for Macon County. The FY 15-16' tax rates in each district are representative of the rates needed to produce levies equal to those from FY 14-15'. Growth factors representative of each district's average increase in tax base since the last reappraisal were then applied to each of these tax rates. Figure 2 illustrates the FY 15-16' revenue neutral rates for each fire district, as well as the levies these rates will produce.

Fig 2

REVENUE NEUTRAL W/ GROWTH FACTOR CALCULATION

| Fire Districts | Current Tax Rate | Assessed Value FY 14-15' | FY 14-15' Levy | Growth Rate | FY 15-16' Tax Rate w/ growth | Assessed Value FY 15-16' | FY 15-16' Levy |
|-------------------|------------------|--------------------------|----------------|-------------|------------------------------|--------------------------|------------------|
| Franklin | 0.03 | \$1,636,609,808 | \$490,983 | 0.76% | 0.0356 | \$1,390,637,738 | \$494,723 |
| Clarks Chapel | 0.055 | \$487,660,373 | \$268,213 | 0.28% | 0.0668 | \$402,651,793 | \$268,962 |
| Otto | 0.049 | \$599,684,005 | \$293,845 | 1.08% | 0.0614 | \$483,681,620 | \$297,007 |

| Highlands | 0.009 | \$3,994,674,745 | \$359,521 | 0.54% | 0.0108 | \$3,357,749,268 | \$361,458 |
| Mountain Valley | 0.08 | \$157,723,977 | \$126,179 | 1.09% | 0.127 | \$100,470,258 | \$127,559 |

Sales Tax

According to figures published by the North Carolina Association of County Commissioners, local sales tax distributions are up 13.2% statewide through the April payment. Total statewide local sales tax collections for FY 14-15' are likely to exceed 7% above 2013-2014. As a result of this positive growth, the NCACC is recommending that counties consider a 3-4% increase in sales tax receipts for FY 15-16'. It is noted however, that local economic conditions should drive revenue forecasting.

Through February of 2015, Macon County sales tax collections were up 10.35% over FY 13-14'. Assuming that no growth is experienced for the remainder of the fiscal year, Macon County sales tax collections in FY 14-15' would exceed prior fiscal year by 6-7%, producing \$6,550,110.19 in estimated revenue. For FY 15-16', I am recommending that 3% growth or \$192,305.81 be applied to the projected \$6,550,110.19 in estimated sales tax revenue for the current fiscal year. **Thus, \$6,742,416 has been budgeted for sales tax collections in FY 15-16'.**

While this is a conservative approach, I feel it to be reasonable, as much uncertainty surrounds the future of the local sales tax. Multiple bills (S608, S369) have been introduced in the FY 15-16' Legislative Session that propose a fundamental restructuring of the local sales tax distribution. Senate Bill 369 (Sales Tax Fairness Act) proposes converting the first 2 cent levies authorized into a state sales tax for distribution to counties and cities based on population. As of May 1, 2015 the bill has passed the first reading in the Senate and has been referred to the Senate Finance Committee. In the event this bill becomes law, projections provided by the NCACC show Macon County losing as much as \$1,022,132 or 11.5% in sales tax collections by FY 18-19'.

S608 proposes converting local sales and use taxes authorized under articles 39, 40 and 42 to a state sales tax. Under this act, any growth in sales tax revenue exceeding FY 13-14' levels would be collected by the state and distributed back to counties on a per-capita basis. As of May 1, 2015 the bill has passed the first reading in the Senate and has been referred to the Senate Finance Committee.

While the future of each of these bills remains uncertain, there is much thought that the State Legislature will continue discussing sales tax reform. Until clear direction is given by the North Carolina General Assembly regarding sales tax revenue, I am hesitant to budget over 3% growth in sales tax revenue to support recurring expenses in the FY 15-16' budget .

Debt Obligations

In 2014, Davenport and Company provided Macon County with a detailed analysis of the County's debt profile for FY 14-15'. According to the report, Macon County's FY 14-15' Debt to Assessed Value ratio was .40%. Moody's Criteria for General Obligation Credits ranks this ratio as "Very Strong (Aaa)". A second key debt ratio mentioned in this report is debt service vs. expenditures. Macon County's ratio in this category of 9.07% is well below the NC 'Aaa' median value which exceeds 15%, and right in-line with the National 'Aaa' median. It becomes evident when evaluating key debt ratios such as these, that Macon County is a leader not only in our region but across the State in terms of fiscal responsibility.

General Fund debt has decreased \$18,118,327 from 6/30/2011 (\$62,246,165) to 6/30/2014 (\$44,127,838). This decrease in debt is due to making regular principal and interest payments, not taking on substantial new debt, and refinancing existing debt.

From 6/30/2011-6/30/2014, the county has issued the following amounts in new debt:

- *School Technology Upgrades-\$1,548,887*
- *Defibrillators- \$390,288*
- *Highlands School renovations- \$1,500,000*

From 6/30/2014- current, the county has issued the following amounts in new debt:

- *Parker Meadows project- \$2,019,651*

On April 21, 2015, the Macon County Board of Commissioners voted to move forward with QZAB (Qualified Zone Academy Bonds) funding in the amount of \$2,985,878 for renovations to Highlands School and Union Academy.

Fig. 3

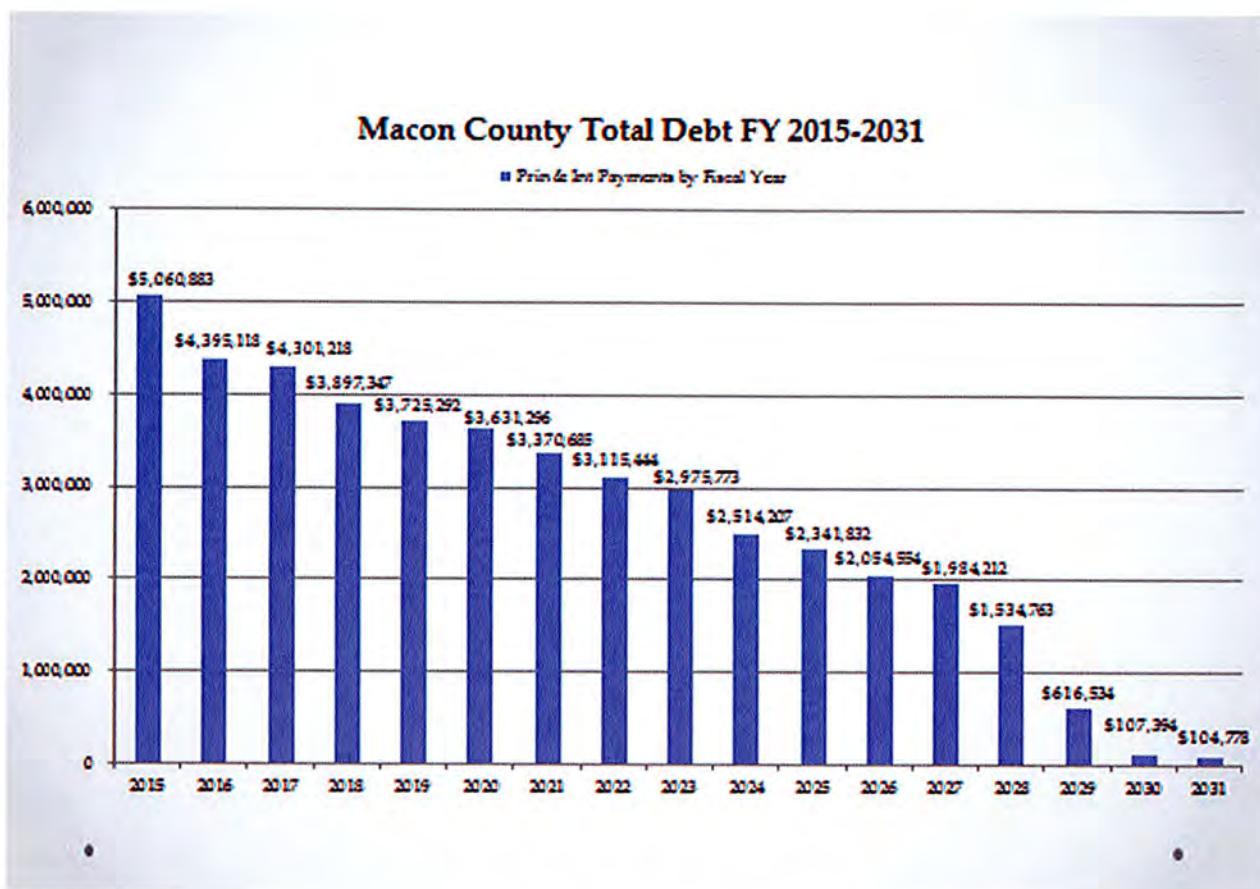

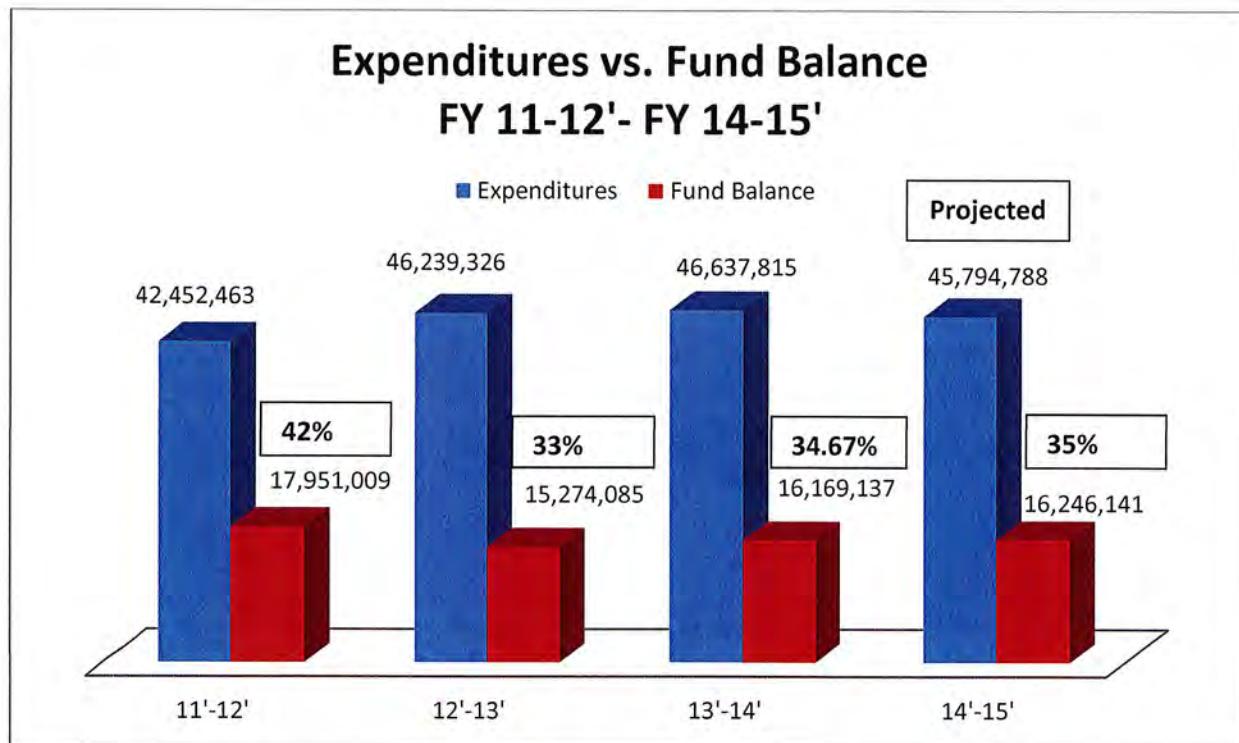

Figure 3 illustrates the declining principal and interest payments on total debt from FY 2015- FY 2031. It is important to note that figure 3 does not include the principal and interest payments for the \$2,985,878 QZAB loan authorized by the Board of Commissioners in 2015. We are estimating this payment to be \$200,000 annually over the next 15 years. Assuming the loan will be closed in FY 15-16' the first QZAB payment will not be due until the following fiscal year (FY 16-17'). I am recommending however, that this payment amount be budgeted in FY 15-16'. Although no payment is required, this will ensure no expenditures in the general fund operating budget become reliant on this amount. Thus, figure 3 should be revised, adding this annual payment to each total debt column from 2016-2031. **In FY 15-16' under this recommendation, Macon County's total debt payments will decrease by approximately \$465,765 to \$4,595,118.**

Fund Balance

A primary goal for FY 14-15' was to stabilize the fund balance position. Upon comparing actual FY 13-14' expenditures to those projected for the current fiscal year, the amount of fund balance available for appropriation is expected to increase by approximately \$77,004 or .81%. This projected increase in fund balance available for appropriation is inclusive of a \$500,000 allocation for the Parker Meadows Project in FY 14-15'.

No fund balance was used to balance the FY 15-16' budget. Although projected expenditures will increase in the FY 15-16' budget, it is highly unlikely based on historic precedence that all projected expenditures will be incurred in the coming fiscal year. *Thus, we anticipate fund balance to remain at or above the FY 14-15' 35% projected amount in the coming fiscal year.*

Fig 4.

FY 15-16' Proposed Budget Highlights

Public Safety

The FY 15-16' budget continues to place high priority on the health and safety of our citizens. In the coming year, public safety represents \$11,590,320 or 25% of the general fund operating budget. This level of expenditures represents a \$347,899 increase over the FY 14-15' original budget.

Emergency Management

In 1994, Macon County began operating with two, 24/7 dispatchers. 911 Communications received 10,399 calls for service in this year. By 2014, the call volume for 911 Communications had increased by 217%, as the office received nearly 33,100 calls for service. Although workload has increased greatly since 1994, 911 Communications continues to be staffed at 1994 levels having only two, 24/7 dispatchers.

According to the 911 Communications Supervisor, inadequate staffing in this department has resulted in delayed dispatch times and the inability for dispatchers to spend the time needed to gather pertinent information from callers. Over the past few years Macon County has invested in technology improvements for our 911 communications center. Using both county and 911 funds nearly \$750,000 went towards replacing the outdated 911 phone switch. The new switch became operational in October of 2014, providing Macon County not only with the latest technology, but redundancy and the ability to continue operations at an alternate site in the event of primary site failure.

The FY 15-16' budget adds two additional full time dispatchers to the 911 Communications Office. One dispatcher position will be added at the beginning of FY 15-16' and a second will be added in January of 2016. The second position will be moved from 911 Addressing following a vacated position in January. This will lead to improved dispatch times and allow dispatchers to spend more time gathering information from callers. Furthermore, these additions will enable this office to capitalize on previous investments in technology.

EMS

Currently, the only time period during which 5 ambulances are not in operation is 8am-8pm on Sunday's (4 ambulances). An increase to the EMS part time line item will enable 5 ambulances to begin operating 24/7 in FY 15-16'. Of the 5 ambulances, 1 will be dedicated to the Highlands Community and 1 will be dedicated to the Nantahala Community, leaving 3 fully operational ambulances in the Franklin area.

In FY 15-16' Macon County EMS will continue the Community Paramedic Program which began in January of 2015. The Community Paramedic Program serves as a healthcare resource for high risk patients from the time they are discharged from the hospital, until Home Health can assume care. The Community Paramedic Program also provides care for those patients who do not qualify for Home Health Care and may have delayed access to a primary care physician. The long term goals of this

program are to decrease critical access admissions for high volume and/or high risk patients by including high volume patients in the program that are regularly seen in the Emergency Department and EMS. This will reduce readmissions into medical facilities, reduce the Emergency Department workloads, and reduce the number of unnecessary EMS transports.

The current EMS Supervisor will drop from full time to part time status in FY 15-16'. In addition to supervisory duties the part-time supervisor will assist with the Community Paramedic Program. Funds generated from this change will go towards the creation of a full-time EMS Coordinator position. The EMS Coordinator position will focus primarily on EMS operations and training leading to increased efficiency and effectiveness in Emergency Medical Services.

EMS billing rates have not been adjusted in over 10 years and Medicare allowable charges such as base transport and mileage rates have steadily increased. The adjustment of rates as opposed to an increase in funding from the General Fund will help balance the financial responsibility of service provision between the taxpayers and the EMS customers. These rate increases, which will generate an additional \$30,000 in estimated revenue for FY 15-16' are shown in figure 5.

Fig 5.

| Description | HCPC | Proposed New Rates | |
|--------------------------------|-------|--------------------|-----------|
| | | Current Rate | |
| MILEAGE RATE | A0425 | \$ 8.21 | \$ 11.00 |
| BLS NON EMERGENCY BASE RATE | A0428 | \$ 400.00 | \$ 400.00 |
| ALS 1 NON EMERGENCY BASE RATE | A0426 | \$ 400.00 | \$ 475.00 |
| BLS EMERGENCY BASE RATE | A0429 | \$ 400.00 | \$ 450.00 |
| ALS 1 EMERGENCY BASE RATE | A0427 | \$ 400.00 | \$ 500.00 |
| ALS 2 EMERGENCY BASE RATE | A0433 | \$ 400.00 | \$ 550.00 |
| SPECIALTY CARE TPORT BASE RATE | A0434 | \$ 400.00 | \$ 600.00 |

Sheriff's Department

Administrative changes in the Sheriff's Department will enable a full-time road deputy and full-time administrative assistant to be added with minimal impact to the salaries line item. The full-time road deputy position was changed to a School Resource Officer in FY 14-15' and placed at Cartoogechaye School. This action was approved by the Macon County Board of Commissioners. Upon retirement of the Chief Deputy at current fiscal year end, the Sheriff has recommended that this position be changed to part time and a new full-time administrative assistant position be added. The full-time administrative assistant position will assume the day to day office responsibilities of the Chief Deputy. The Sheriff has further requested that the full-time attorney position be eliminated, as the department will begin contracting with an outside firm for legal assistance in FY 15-16'. The Sheriff has indicated the selected

firm is well known and well respected by law enforcement agencies across the State of North Carolina. Furthermore, this firm comes recommended by the Sheriff's former legal counsel.

Two new fully equipped patrol cars have been included in the FY 15-16' budget. In addition, \$12,000 has been placed in the Garage budget for the purpose of completely replacing the drive-train in a 2009 Crown Victoria, which was previously used as a Macon County patrol car. In conversations with the Garage Director, he feels this replacement can be performed in approximately three months. If this pilot project is successful, there are 9 cars in the fleet (2009 & 2010 Crown Victorias) that would qualify for replacement in the coming years. Assuming a price of \$36,000 for a new fully equipped patrol vehicle, this replacement program, if successful at \$12,000 per car, could save approximately \$216,000 in vehicle expense over the next three to four years.

Detention Center

The Detention Center will add four full time positions in FY 15-16'. To accommodate this addition, part time and overtime line items within this department will be reduced by \$176,200 from the FY 14-15' revised budget. These reductions will allow the four full time positions to be added with no impact to the Detention Center's bottom line.

While reductions in the part time and overtime line items are substantial, they are reflective of a decision made by Mission Hospital to begin providing oversight for patients who have been involuntarily committed and are awaiting transport from Mission Hospital to an approved mental health facility. Historically, the Sheriff's Department has provided the oversight for involuntary commitments at Mission Hospital and compensated officers performing this service from the part time and overtime line items in the Detention Center Budget.

From 2006 to 2014, according to records produced by the Macon County Sheriff's Department, the number of commitments has increased by 126% (247 in 2014). The total number of hours spent by officers overseeing these commitments has increased dramatically as well, totaling 8,299 in 2014. In applying an average hourly rate of \$23.52 to the 8,299 oversight hours in 2014, approximately \$196,000 was spent by the Sheriff's Department providing oversight at Mission Hospital. Following the recent decision by Mission Hospital to begin providing this service, the Sheriff has requested that the estimated savings in the detention center budget be used to hire four additional full time staff. The additional full time positions will enhance security at the Macon County Detention Center by adding one officer to each shift. In 2014, the Macon County Detention Center saw four attempted escapes. Of these attempted escapes two were successful, with one resulting in a homicide. Both the Sheriff and Chief Deputy are confident that these escapes could have been prevented by additional staff.

General Government

The General Government function of the operating budget is representative of service provision departments as well as internal service departments. Service provision departments are those departments whose primary role is to provide services to the citizens of Macon County. Internal service departments such as information technology, garage and maintenance play a support role to the service provision departments, which enables them to continue providing top quality services to our citizens.

In FY 15-16', the General Government function accounts for \$6,825,920 or 14.63% of the operating budget. Expenditures in this function have increased by \$563,009 over prior fiscal year. The proposed budget includes funding that will increase the service level of all general government departments.

In the coming year, departments such as maintenance, through additional staffing and equipment can assume increased responsibilities brought about by the newly operational Parker Meadows Complex. The information technology department will oversee internal improvements including the installation of a new internet based phone system that will provide county employees with the latest in phone technology, while dramatically reducing phone system operating costs in the future.

Building and Grounds

The building and grounds (Maintenance) department and the recreation department have an excellent working relationship. Currently, there are three employees paid out of the maintenance budget who work full time at the county's recreation facilities. Their duties include mowing, ball field preparation, and facility maintenance.

The addition of the Parker Meadows Complex will draw on this working relationship. In FY 15-16' a maintenance supervisor will be added to the building and grounds budget. The maintenance supervisor will oversee maintenance at the Parker Meadows complex during peak season (April- November). In addition to the maintenance supervisor, a second maintenance worker, currently assigned to the Robert C. Carpenter Complex will be moved to Parker Meadows during peak season, leaving two full-time workers at each complex.

The two workers at the Parker Meadows Complex will be primarily responsible for maintaining the facilities and the eight ball fields. All mowing outside the ball fields will be incorporated into the county grounds mowing rotation. In FY 15-16' the building and grounds department, through revised scheduling, will add a second two-man mowing crew using existing staff. As a result, the addition of the Parker Meadows Complex to the current mowing rotation will not present a problem.

Information Technology

In FY 15-16' the Information Technology budget will increase by \$392,678. Of this total increase, \$236,500 will go towards the purchase and installation of the following capital items: telephone system, replacement of $\frac{1}{2}$ of the data storage system and upgrades to the security and access control system. In addition to the increase in capital expenditures, a \$120,313 increase in the *service contract* line item can be attributed primarily to the required upgrade of 15 servers, whose outdated operating versions are no longer supported by Microsoft.

Telephony

Macon County's Telephone System is approximately eighteen years old. In FY 14-15' Macon County experienced numerous difficulties with this aging system, including a nearly one month period where employees could not access their voicemail. As the phone system is a key method of communication between the county and our taxpaying citizens, it is crucial that we have a reliable system in place.

Our current phone system is a Tadiran Coral system. This system, which is based on outdated technology, has led to increased operating costs, decreased reliability and limited flexibility in making programming changes. The proposed phone system is a VOIP (voice over IP) hosted solution. This proposed solution will exceed our current level of service, bringing additional functionalities to the end users. Furthermore, the new system will substantially reduce the hardware footprint and phone system maintenance costs.

\$72,000 has been budgeted for the purchase and installation of the VOIP phone system in FY 15-16'. Proposals were submitted by six different vendors, ranging from a high of \$437,616, to a low of \$70,417. The selected proposal was submitted by Balsamwest.

Additional information on the VOIP system is contained in the bullets below:

- The proposed VOIP solution brings additional functionalities to the desktop computers of end users such as centralized contact information and dashboard to administer the phone via a web portal.
- A VOIP solution uses a network or the internet to connect end users to a service provider and to the public switched telephone network.
- A VOIP solution provider hosts the majority of the equipment at the provider's site(s) reducing the hardware footprint that must be maintained and maintenance costs at each of Macon County's sites.
- A VOIP solution would leverage the county's existing redundant data network between the majority of our sites eliminating off premise extensions and circuit costs for each location.
- Redundancies on our data network and at the provider locations have reduced the concerns that an internet outage would expose our organization to a prolonged telephone outage.
- It would also eliminate the need for a great deal of supporting infrastructure and resources such as wiring, UPS battery backups, and PBX equipment cabinets at our sites.

- Costs of cooling and power and equipment space required for the phone rooms will likely be reduced significantly.
- A small equipment footprint will remain for internal systems that are not eligible for VOIP conversion due to regulation, such as modems, alarm panels, fire systems, and elevator phone.
- **Beginning in FY 16-17' telephone system operating costs could be reduced by as much as \$87,511.93 annually.**

Data Storage

Macon County plans to span SAN/NAS (data storage system) deployment across two years. In FY 15-16' \$85,000 in equipment will be purchased for ½ of SAN/NAS replacement. County IT staff will carry out the physical deployment and as much of the pre-configuration as possible, reducing the labor costs on the project. The budget request also maintains a \$7,500 option to call upon the vendor for deployment support, or \$15,000 for full deployment services and data transfer if necessary. The first ½ of the project will focus on equipment replacement in the primary data center located at the Health and Human Services Building.

Proposals for data storage system replacement were received from seven vendors. These proposals ranged from a high of \$440,000 to a low of approximately \$200,000. The low proposal provided by Encore TG was selected. The \$200,000 proposal represents the estimated cost of the entire data storage system replacement. (year 1 and year 2)

Access Control and Security

In FY 14-15' we were informed that the longstanding relationship between the hardware and software vendors, whose products comprise our access control and security system had been dissolved. As a result, licensing, support, parts and service for this system was no longer available, leaving it in need of replacement.

Three vendors provided budgetary quotes for system replacement options. The replacement system which was selected is felt to be the most cost effective and will require the least amount of hardware replacement. The installation of the new RS2 system is estimated to cost \$16,000. Upon installation of the system, the county will incur annual maintenance costs of approximately \$12,000. The next lowest quote proposed a Keyscan replacement option at \$99,980. This option did not specify a \$ amount for annual recurring costs.

Transportation

Transit Operations will increase by \$449,462 in FY 15-16'. While substantial, this increase is primarily due to state and federal monies received through grants. With this increase in funding, our transit service will remain a leader in the seven county western region.

Macon County Transit will equip seven transit vehicles with a propane fuel option in FY 15-16'. Within the next four years the entire transit fleet, excluding minivans, will have been equipped with propane conversion. Propane fleets can save an average of \$1.50 per gallon on fuel costs while reducing greenhouse gas emissions by approximately 25%. The NCDOT/FTA grant money will reimburse Macon County for 90% of the \$60,650 conversion costs.

The Appalachian Development Transportation Grant will be used to purchase hardware and software which will enable Macon County Transit and four regional partners to begin operating on an electronic Fare card System. This grant is for \$274,470 and has been included in the FY 15-16' budget. Upon implementation Macon County will be reimbursed for 80% of the project costs. The remaining 20% match will be shared among the five participating counties in the region.

Four new lift vans totaling \$228,000 will be purchased in FY 15-16'. Of the \$228,000, 80% is provided by the federal government, 10% is provided by the State of North Carolina, and the remaining 10% or \$22,800 will be provided by Macon County.

Culture/Recreation

The Culture/Recreation function will decline by \$386,648 in FY 15-16'. This decline is primarily due to the elimination of the \$500,000 transfer from the general fund to Parker Meadows, which was included in the FY 14-15 budget. At \$2,245,609, Culture/Recreation accounts for 4.81% of the FY 15-16' operating budget. County Contributions to the Franklin Library and Highlands recreation remain at FY 14-15' levels of \$999,390 and \$500,000 respectively.

In FY 15-16' the recreation department will see increases in part-time, operating supplies, electricity and custodial expenses, all of which are directly related to the newly operational complex in FY 15-16'. An increase of \$63,089 in the recreation department's non-capital line item will go towards the purchase of picnic tables, dugout benches, temporary outfield fencing, trash receptacles, bases and portable pitching mounds. These additions, combined with those in building and grounds will ensure the Parker Meadows Complex and the Robert C. Carpenter Complex are adequately staffed and maintained year round.

Health and Human Services

Department of Social Services

In FY 15-16' county contributions to DSS will decline by \$161,800. This is due primarily to the additional 25% federal reimbursement on Medicaid Administration.

Health Department

County Contribution to the Macon County Health Department will increase by \$46,300 in FY 15-16'. The proposed 2% COLA and increased health insurance contributions however, account for \$84,785 in county contributions.

Employee Health Clinic

\$15,000 in County Contribution will be budgeted for the purchase of operating supplies in the new Employee Health Clinic. The clinic, which came as a recommendation of the Health Insurance Committee will operate out of the Macon County Health Department. It will be open to all county employees, eligible dependents and retirees. The Employee Health Clinic will become operational in FY 15-16'.

Summary of General Fund Capital Items

| Department | Acct. | Amount | Description |
|-----------------------------------|---------------|-------------------|--|
| Tax Assessment | 114142-569601 | \$ 31,000 | One (1) Vehicle |
| Information Technology | 114210-569502 | \$ 72,000 | IP Telephone System |
| | 114210-569502 | \$ 15,000 | Access Control & Security System |
| | 114210-569502 | \$ 93,000 | SAN Storage (1 Phase) |
| | 114210-569502 | \$ 49,000 | Cisco Firewalls and Management System |
| | 114210-569502 | \$ 7,500 | HP Storage Works Tape Archive |
| Maintenance | 114260-569502 | \$ 6,000 | Equipment |
| Sheriff | 114310-569504 | \$ 5,000 | Firing Range Allotment |
| | 114310-569601 | \$ 56,000 | Two (2) Patrol Vehicles |
| EMS | 114370-569601 | \$ 30,000 | One (1) Vehicle |
| Emergency Management | 114375-569601 | \$ 30,000 | One (1) Vehicle |
| Transit - Operating | 114935-569601 | \$ 228,000 | Four (4) Transit Lift Vans - Replacement |
| Health - Administration | 115110-569502 | \$ 28,000 | One (1) Vehicle |
| Health - Wastewater | 115182-569502 | \$ 28,000 | One (1) Vehicle |
| Macon County Schools | 118000-571002 | \$ 300,000 | Capital Outlay |
| Total General Fund Capital | | \$ 978,500 | |

Summary of General Fund Full-Time Positions

- EMS- 1 EMS Coordinator Position (Current EMS Supervisor will drop to Part Time Status)
- Emergency Management- 2 Full Time Dispatchers (Clerical position will be eliminated in 911 Addressing).
- Sheriff Department- 1 full time Administrative Assistant, 1 full time Road Deputy (full time Chief Deputy position will be reduced to part time, full time Staff Attorney will be eliminated).
- Detention Center- 4 full time Detention Officers (Part time and Overtime line items will be reduced by \$176,200)

Pay Plan implementation

The first portion of the Springsted Pay Plan was put into effect in May of 2013. The implemented portion brought all entry level salaries up to the minimum recruitment levels based on the market rate. All those employees above “entry level” received a 2% salary increase. The cost of implementing this portion of the pay plan was \$814,549.88.

In FY 14-15' the remaining portion of the pay plan (*Years of Service Option*), which would have adjusted the salaries of those longer-serving employees (8+ years), was not implemented. The “*Years of Service Option*”, including benefits, was estimated by Springsted to cost approximately \$1,257,531 per year. This decision not to implement this portion of the pay plan was made primarily due to the fact that implementation would have resulted in an ad-valorem tax increase, which was contrary to the goals set for the organization by the Board of Commissioners in FY 14-15'. In addition, the impact of forthcoming health insurance plan revisions to the operating budget remained uncertain at this time.

Although additional revenue will be available in FY 15-16', new obligations including a substantial increase in health insurance contributions, will make pay plan implementation impossible without an increase to the *revenue neutral* ad-valorem tax rate. As an increase to the revenue neutral ad-valorem tax rate is contrary to the FY 15-16' goals set for the organization by the Board of Commissioners, implementation of the pay plan has not been included in the recommended budget.

A committee will be established in FY 15-16' to review current compensation levels of Macon County Employees. This committee will function similar to the Health Insurance Review Committee, which was established in FY 14-15' to review and make recommendations regarding the implementation and proposed funding methods County's Health Insurance Plan. A report from the *Pay Plan Review Committee* will be compiled and given to the Board of Commissioners for informational purposes prior to FY 16-17' budget discussions.

COLA

The FY 15-16' recommended budget proposes a 2% Cost of Living Adjustment for all Macon County employees. The COLA will result in an increase to the operating budget of \$353,726. This increase offsets the impact of inflation as determined by using the Consumer Price Index increase in 2014.

2% COLA Increase by Function

| General Government | \$69,576 |
|----------------------------------|------------------|
| Public Safety | \$151,633 |
| Transportation | \$9,916 |
| Economic & Phys. Dev. | \$2,175 |
| Human Services | \$113,494 |
| Recreational/Cultural | \$6,932 |
| Education | \$- |
| Transfer to Debt Service | \$- |
| Non Dept. | \$- |
| Total | \$353,726 |

Schools

Macon County's commitment to public education is longstanding. Since 2008, county funding for operating expenses in the Macon County School System has increased by 9.4% to \$7,338,330 in FY 14-15'. In addition to the increase in funding for operating expenses, Macon County has funded \$45,528,000 in capital projects during the same time period (2008- FY 14-15'). In FY 14-15' approximately 21% or \$9.5M of the overall operating budget went to the Macon County School System. This included an increase of \$100,000 to the capital expense line item from FY 13-14'.

Macon County will remain committed to public education. The recommended budget proposes \$7,338,330 to go towards the funding of school system operating expenses. While operating funding remains at the FY 14-15' level, the recommended budget proposes an increase of \$100,965 in capital expense funding, bringing the total funding for capital expenses to \$300,000 in FY 15-16'. Of this \$300,000 in capital funding, \$50,000 has been earmarked for improvements to the Highlands School Softball Field and Track. In addition to funding provided for operating and capital needs, approximately \$200,000 has been budgeted in Macon County's debt service account for principal and interest payments on the \$2,985,878 Union Academy/Highlands School Renovation Project. This project which will begin in FY 15-16' will be financed using Qualified Zone Academy Bonds at a net interest of 0%.

It is acknowledged that the proposed funding for operating expenses falls short of the Macon County Schools FY 15-16' budget request of \$7,865,673, or a \$527,343 increase over FY 14-15'. According to the Macon County School System, the requested increase would be applied to the following:

| | |
|---|------------------|
| • Teacher Salary Increase - | \$85,167 |
| • Benefit Increase- | \$25,738 |
| • Teacher Assistants- | \$279,000 |
| • State Reduction to Central Office- | \$11,339 |
| • Drivers Education- | \$72,783 |
| • Salary Increase- | \$90,000 |

At the May 7th Joint meeting, central office administration informed county representatives that salaries and benefits for 29 teachers and approximately 50 non-instructional staff were paid out of operating funds provided by Macon County. In FY 15-16', \$200,905 of the requested \$527,343 increase in operating funds is proposed to go towards salary and benefit increases of locally paid teachers and non-instructional staff.

Figure 6 contains a five year history of county appropriation levels for operating expenses, listing the number of locally paid and state paid teachers in each year. Historically, it appears that county increases in funding for operating expenses can be attributed to increases in the number of locally paid teachers. From FY 10-11' to FY 11-12', the number of locally paid teachers declined from 25 to 1. In FY 12-13' however, the number of locally paid teachers increased dramatically to 63. This fluctuation in the number of locally paid teachers coincides with the rise and fall of the Federal Education Jobs Fund. Based on figures provided by the NC Department of Public Instruction, Macon County received

\$1,007,758 in EduJobs \$ in FY 10-11. An additional \$14,962 in EduJobs \$ was received by the school system in FY 11-12'. In FY 12-13' as this federal \$ expired, the number of locally paid teachers increased substantially.

In an article titled "Schools in serious financial trouble" published in the Macon County News on September 27, 2012, Interim Superintendent Dr. Duncan informed the school board that FY 12-13' was the last year the school system would receive federal EduJobs money. In the article, Dr. Duncan goes on to quote the following: "Some positions were added when the EduJobs money was first allocated to the district and those positions were paid for out of that pocket of money which we knew was not recurring. "The expenses for those positions are recurring and without those funds, have to be paid somehow."

Fig. 6

| Fiscal Year | State Paid Teachers | Locally Paid Teachers | County Appropriation |
|-------------|---------------------|-----------------------|----------------------|
| 10-11' | 324 | 25 | \$6,705,750 |
| 11-12' | 337 | 1 | \$6,705,750 |
| 12-13' | 344 | 63 | \$6,911,000 |
| 13-14' | 337 | 53 | \$7,338,330 |
| 14-15' | 323 | 39 | \$7,338,330 |

** Figures taken from <https://www.ednc.org/map/2015/05/per-pupil-expenditures-2004-14/>

The School Board and Superintendent Dr. Chris Baldwin have worked diligently to reduce the number of locally paid teachers in Macon County through attrition. At current fiscal year end, it is estimated 29 teachers will remain locally paid.

Of the \$200,905 in requested salary and benefit increases, \$110,905 will go towards salary and benefit increases for locally paid teachers. I would respectfully request for the school system to consider using the \$430,621 in county operating allocation, which provides a 2% annual salary supplement for school system employees, to accommodate the requested \$110,905 salary and benefit increases.

\$90,000 of the \$200,905 in requested salary and benefit increases will go towards providing salary increases for all classified employees (custodians, teacher assistants, clerical and bus drivers) who only received \$500 of the \$1,000 pay raise given to all state employees in FY 14-15'. While this is unfortunate and seemingly inequitable, I cannot recommend that Macon County begin filling the gaps in pay raises which were voted on and approved by the state legislature for state employees.

The remaining \$363,122 of the requested increase will go towards making up expected declines in state funding for teacher assistants (\$279,000), central office operations (\$11,339), and drivers education (\$72,783). I would again recommend that consideration be given to the 2% annual salary supplement given to school system employees, in combination with the continued attrition of locally paid teachers and non-instructional staff to offset these projected deficits.

While it is understood that the 2% annual supplement accounting for \$430,621 in operating funds provided by the county has been in place for some time, recent actions by the state legislature including

a 5-7% average increase in teacher salaries in FY 14-15', along with an additional \$1,000 raise for state employees, should result in salaries that are less reliant on the 2% annual supplement.

The House Appropriations Subcommittee on Education released the House's Education budget on Thursday, May 14, 2015. The budget, which increased K-12 funding by \$268 million, includes continued funding for teacher assistants and driver's education. At this juncture, it appears that the House of Representatives and the Governor, whose proposed budget included a \$235 million increase in K-12 funding, will be committed to improving public education in FY 15-16'. This is optimistic for school systems and local governments across the State of North Carolina.

Southwestern Community College

A \$10,000 increase in operating expense funding is recommended for SCC in FY 15-16'. Funds from this increase can be used to offset a \$5,432 increase in the HVAC maintenance contract, as well as reimbursement for maintenance performed at the Macon Campus by Jackson County Staff. The SCC funding level for FY 15-16' is proposed at \$280,463.

Summary

The FY 15-16' proposed budget addresses many of the challenges which we recognized would be forthcoming. We have successfully completed the revaluation, taken on additional responsibilities including the operation of the Parker Meadows Recreation Complex and repaired a once failing health insurance fund. In addition to addressing these challenges, we will make substantial capital improvements to the organization's infrastructure, including replacement of the phone system and data storage hardware, which will directly impact the level of service we provide to the citizens of Macon County. Although \$978,500 in capital items has been recommended in the FY 15-16' budget, no appropriation of fund balance will be necessary and funding to priority areas including education and public safety will not be compromised.

The proposed budget for Fiscal Year 2015-2016 will enhance the level of public service without compromising the strong financial position of this organization. This could not have been accomplished without the hard work and willingness to compromise shown by all Macon County department heads during budget discussions. As required by state statute, the budget is balanced with revenues and expenditures of \$46,646,357 and is hereby submitted for your review and consideration.

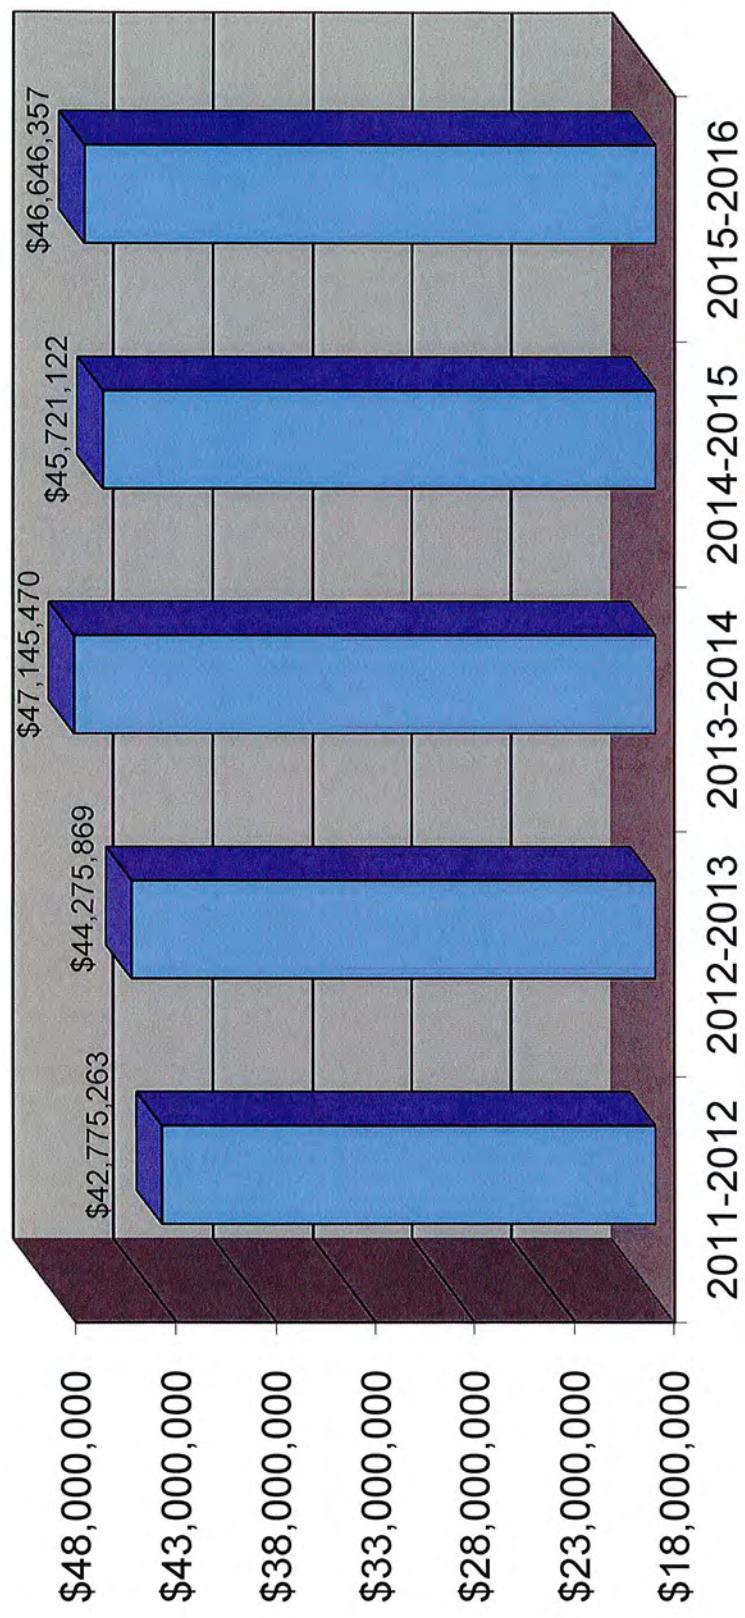

Respectfully,

Derek C. Roland

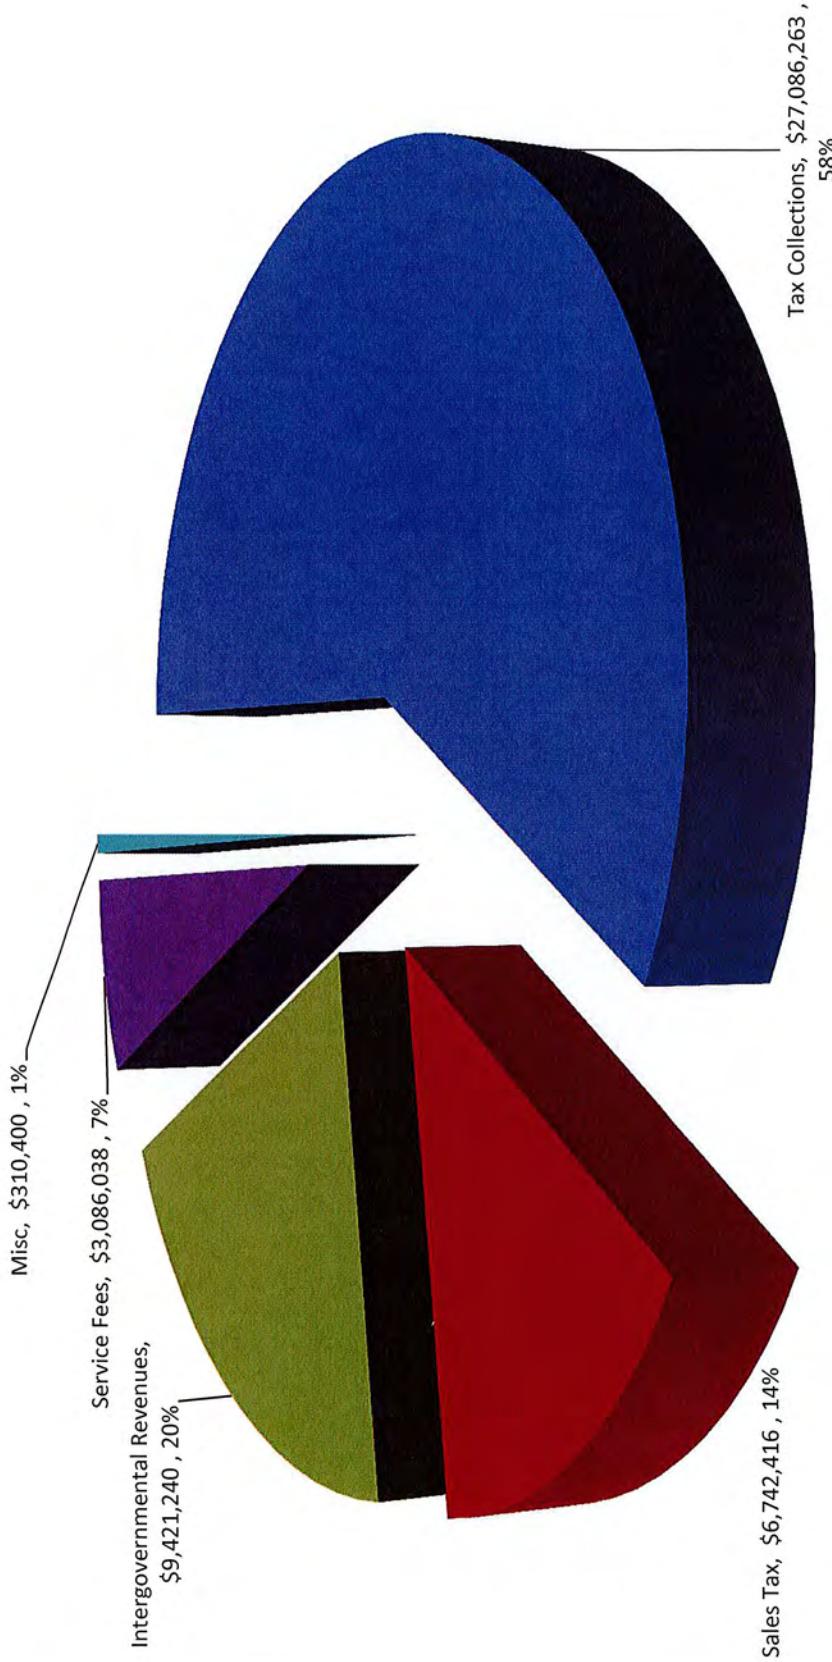

Macon County Manager
