Program Goals and Objectives The primary goal of the Essential Single-Family Housing Rehabilitation Loan Pool (ESFRLP) is to encourage the essential rehabilitation of scattered-site single-family housing units owned and occupied by very low- and low-income homeowners with special needs.

The objectives of ESFRLP are:

1. to promote equitable distribution of Program funds across the state;
2. to serve elderly, disabled and Veteran households and households with a child under the age of six whose health is threatened by the presence of lead hazards, with incomes at or below eighty percent (80%) of area median incomes
3. to facilitate aging in place amongst elderly and disabled fulltime household members of eligible dwelling units through accessibility modifications;
4. to promote the long-term affordability and lower operating costs of ESFRLP assisted units through cost-effective, energy-efficiency measures

ESFRLP assistance will be provided to eligible homeowners in the form of interest-free loans secured by a Deed of Trust, forgiven at the rate of \$5,000 per year, until the principal balance is reduced to zero.
