Old Business

- **County Health Rankings** – Kathy McGaha reported on the **handout** that summarized *Macon County Rankings At A Glance*. She noted this report is an opportunity to review common ranking factors so a comparison can be made between counties nationwide. This report offers two separate rankings for counties in NC- Health Outcomes and Health Factors. Comparing Macon to other Counties in NC, we rank 44th in Health Outcomes and 15th in Health Factors. An update on the use of the Free Clinic evolved from the discussion.

New Business

- **Budget –Handouts** were available for discussion. Mr. Bruckner referred to the one page handout entitled *Budget Summary*. He noted the overview of major changes in salary / fringe and operating costs at this point:
 - an EH position and a nurse position will be held vacant at this time;
 - increase necessary for retirement funds that falls to counties to make up State shortfall;
 - a couple of changes in areas impacted by the reduction of H1N1 funding
 - increase in adult dental rental expense
 - increase cost in phone expense due to air cards for EH On Site staff
 - increase in flu vaccine costs
 - increase in capital equipment cost– for Molar Roller

Therefore – the final increase in monies requested is \$68,817

Mr. Bruckner then reviewed the revenue summary which totaled a request of \$4,412,173.

In summary, the agency is asking for 4.4 million as opposed to 4.6 million last year. He noted revenues have been reduced from 2.1 to 2 million.

A motion was made by Ron Winecoff to accept the budget as presented this evening. The motion was seconded by Dr. David Silverstein and passed unanimously.

The Proposed Billing and Collection Policies and Fee Schedules – effective July 1, 2010 was also presented by Mr. Bruckner. He noted that the final pages list the fees and anything in red ink reflects an increase. The new budget reflects these fees. Dr. David Hill made a motion to accept this guide as presented and the motion passed unanimously after a second by Dr. David Silverstein.

- **Certified Rabies Vaccinator Training - Mr.** Bruckner reported on an effort to have more people in the western counties trained as a certified rabies vaccinators. He was able to have a training set up here in Macon County for no cost to have state personnel come here and provide this training. Macon will eventually have 12 people trained as vaccinators.
