15A NCAC.0303

An application for a permit to construct, repair, or abandon a PDW Well shall be submitted to the local health
department for the county where the well is to be located by the property owner or the property owner's agent.

15A NCAC 02C .0306(c)

No person shall place a private drinking water well into service without first having obtained a Certificate of
Completion.

15A NCAC 02C .0105 (e)

An application for any well requiring a permit pursuant to Paragraph (b) of this Rule shall be submitted by the
owner or his agent. In the event that the permit applicant is not the owner of the property on which the well or
well system is to be constructed, the permit application shall contain written approval from the property owner
and a statement that the applicant assumes total responsibility for ensuring that the well(s) will be located,
constructed, maintained and abandoned in accordance with the requirements of this Subchapter.

15A NCAC 02C .0105 (k)

The well owner or his agent shall see that a permit is secured prior to the beginning of construction of any well
for which a permit is required under the rules of this Subchapter.

15A NCAC 18A .1938 (b)

The person owning or controlling the system shall be responsible for assuring compliance with the laws, rules,
and permit conditions regarding system location, installation, operation, maintenance, monitoring, reporting,
and repair.
