Press Release

Macon County is in search of Board of Health Members

Macon County's Board of Health is made up of 11 members who are charged with protecting and promoting the public's health, and with serving as the policy-making, rule-making, and adjudicatory body for public health in the county. Boards of Health are made up of county commissioners, professionals with expertise in health care or public health (including physicians, pharmacists, veterinarians, and professional engineers, among others), and the general public. Board of Health members must be appointed by the Macon County Board of County Commissioners.

Macon County is in search of community members interested in fulfilling the Optometrist and General Public positions on the Board of Health. Each member is appointed to a three-year term and may serve a maximum of three consecutive three-year terms. If you are interested in becoming a Board of Health member, visit
