MACON COUNTY CHILDRENS DENTAL SERVICES THE MOLAR ROLLER

The Molar Roller is a mobile dental clinic which travels around Macon County providing routine dental services for children.

To receive services at the clinic you must be under age 18.

We are currently accepting new patients with North Carolina Medicaid or Health Choice or who qualify as self-pay. Fees for self-pay patients are based on family size and income. We currently don't accept private insurance.

If you would like to make an appointment or have any further questions, please call us at: (828) 349-2513
