This Formulary listing is not a guarantee of coverage. Not all the drugs listed are covered by all pharmacy benefit programs, check your benefit materials for specific drug exclusions and copay information for your plan.

You are encouraged to ask your doctor to prescribe generic drugs whenever appropriate.

(*G)= Generic is available. Brand forms of these drugs will be subject to a non-formulary copay.

(EXP x/xx/11) - date when that specific drug will no longer be on the formulary

(EFF x/xx/11 – date when that specific drug will become available through the formulary.
